INTRODUCTION

Baby Martin International School (BMIS) is a dream project and initiative of our President & Chairman to provide a world class modern education to the children of underprivileged communities especially minorities and scheduled castes without any discrimination.

This would not have been possible without the contribution of a team of Scholars, Educationists, Bureaucrats, Doctors, Engineers, Legal Advisors and social workers working in the prestigious institutions of India in conceptualizing the blueprint and implementing it at the grass-root level.

BMIS takes pride in the holistic and innovative learning methods which will help the students raise the bar in the field of education. The school follows a well-researched curriculum that is based on the play way method of learning. The school offers education for children in different age groups to enhance their skill sets. Undoubtedly it is going to be one of the best Schools in Lucknow, U.P.

VISION

“To nurture the future generation, to accept the challenges of life and prepare the future leaders of this country by making them self-reliant, skillful and responsible citizens”

MISSION

- ◆ BMIS prepares students to understand, contribute and succeed in shaping the society. We will ensure that our students develop 21st century skills and competencies, essential for holistic success
- ◆ Our goal is to support and nurture the children's natural desire to be life-long learners. We are committed to the families by serving, providing, supporting and encouraging them
- ◆ We aim to encourage each child to be independent and develop a sense of responsibility for themselves and respect for others in the environment
- ◆ We foster an enthusiastic and creative community of learners, prepared to continue their intellectual, emotional, and physical development

EDUCATIONAL PROGRAMMES

The school curriculum is not based on traditional method rather it has been framed keeping in view the needs and demands of modern day context. Play way and project methods are adopted for teaching in nursery. Play-way is the only method which yields quick learning in the children. The activities done in the classes are age appropriate and focus on the all-round development of the children, i.e. physical, cognitive, language and socio emotional development.

The focus is on the overall development and environmental awareness for which the students are taken for excursion trip once a year.

Functions on religious and national festivals are conducted with fun and enthusiasm. Art and craft, music, dance, role play, puppetry, sand and water play, clay modeling are important aspect of Baby Martin International School.

On the other hand, activities are undertaken for the development of pre- reading skills for the children between 4 to 5 year age group. The purpose behind it is to prepare children for next higher grade so that they may be ready for formal education without any hesitation and fear. Children are made to practice pattern drawing, joining the dots, crayon rubbing, coloring, writing with chalk on floor, worksheets, writing alphabets, oral counting etc.

To improve the observation and memory skills, students are made to learn a variety of rhymes, songs and stories. To help gain confidence the students are also made to perform during class assemblies.

I. Happiness Curriculum

Baby Martin International School will follow the “Happiness Curriculum” in the school that focuses on the holistic development of the children.

Holistic Development comprises the following areas:

Physical Development: •

- Gross Motor Development: Activities - Outdoor Games.
- Fine motor Development: Activities – Indoor Games
- Cognitive Development:
- Activities. Puzzles, Equipments, Observation memory, problem solving etc.
- Social Emotional Development:
- Activities - Sharing, helping, friendships, good habits & Value education etc.
- Language development:
- Developments areas - Listening, understanding, reading & writing.

II. Smart Class

Smart classes are introduced in our school which provides an opportunity to the children to learn through smart boards with 3D effects.

An important and distinct aspect of **Baby Martin International School** is that a record of the students will be maintained by compiling their daily work and activities including worksheets. Each student has his/her own portfolio that showcases his/her performance. This portfolio will be handed over to the student's parents/guardians at the end of the session.

Physical health record of the students will also be maintained along with their height and weight, eye sight and their physical fitness.

In addition to this, mothers will be familiarized with the demands and necessities so that they may educate and train their children in a proper way. PTM will be conducted at the end of the month to update the parents on their ward's progress and day-to-day activities. Besides, special parent teacher meets will be conducted twice in a year where progress report which will be prepared keeping in view the consolidated progress of the kids will be handed over to the parents and one more meeting will be conducted in the beginning of the academic year about the educational programme of the school.

Special parent teacher meet will be conducted twice a year after the half yearly and final assessment. The progress report of their wards, their overall performance is shared in the meet.

Orientation meeting will be conducted before the commencement of the session where parents/guardians will be provided with all the information regarding the syllabus, school events, schedule and all the necessary details related to their ward.
